

Museum Seeks Items for Jewish Living & Traditions Display

It's so exciting to see the progress we are making at the Augusta Jewish Museum! Those of us on the Display Committee are busy writing the information and selecting images that will be presented in the Museum. We are also visualizing and then planning the displays which our consultant and museum display company will prepare for the walls of the museum.

But now I need your help!

I am looking for items you (or your family) have that we can display in the "***Jewish Living and Traditions***" room. You can donate or loan these items to the museum. The items can be new and modern or old and traditional. They may have a story and a history that we can tell. Some items we are interested in: shofar, Chanukah menorah, apple and honey dish, mizrach, Jewishly-oriented serving dishes, mezuzah, tallit, special kippah, gragger, seder plate, Shabbat candlesticks, Havdalah set, kiddush cup, dreidel, Tzedakah box, challah board, cover, knife, Miriam's cup, items used at a seder and other Judaica you may have.

Please understand that we will have to evaluate each item that comes to us. Some will be used when we open, some may not be needed at this time and some we may not be able to use. I hope you understand this is not a judgement of your item, just the needs at the time. If you have an item (or 2 or 3), please call me to discuss it! And please tell any friends who may have Judaic items in their families.
