Congregation Children of Israel Augusta GA Celebrates 175 Years!

Dear Fellow Congregants and Friends,

Our historic Congregation Children of Israel has reached an important milestone – one that we wish to acknowledge and celebrate:

- Second Oldest Synagogue in Georgia
- A valued and proud history in and outside Augusta
- Home to many Augusta leaders throughout the years
- 4th Oldest member of the Union for Reform Judaism

Although Covid postponed many celebratory plans, nothing negates the fact that our historic synagogue is now 175 years old. On March 12, 2022 we will acclaim this occasion with a special Havdalah Service as we honor our history and meaningful anniversary with special guests and tributes.

In recognition of this milestone, we are creating, with your help and support, a 175th Anniversary Commemorative album featuring your messages, ads, and thoughts honoring CCI. Please see the attached for further information and plan to be a part of this celebration and our history – for it is you who makes us who we are.

Please respond to this request by October 15, 2021 in order to assist Strother's Printing in compilation of this meaningful project. Thank you for your support. Please call or e-mail me with any questions you may have.

L'Shalom,

Meryl

Meryl Alalof
